

Chardonnay Brut 2019

Flaschenvergorener Sekt

Chardonnay Brut 2019
Bottle fermented sparkling wine

Grape variety:	Chardonnay
Vintage:	2019
Awards:	92 FALSTAFF points
Alcohol content:	12.0%vol
Total acid:	6.0g/l
Vinification:	harvested by hand, traditionally fermented with natural yeasts
Maturation:	10 months in traditional, large, wooden oak casks, followed by 19 months of traditional bottle fermentation; Zero Dosage
Drinking maturity:	5 years and longer
Bottle closure:	champagne cork with agraffe
Certification:	Organic , Sustainable Austria
Categorisation:	Flaschenvergorener Sekt, Sekt Austria Reserve Steiermark g.U. (Bottle fermented sparkling wine)
Wine-growing area:	Leutschach a.d.W.
Wine-growing region:	Southern Styria
Description of the wine:	Light yellowgreen; Scents of apple peels and of pear peels, underlined by a hint of ripe apricot flavours; on the palate a chalky texture, tight and extremely straight; deep citrus aromas of buddha fingers; brillante mousseux, nearly silky
Food recommendation:	canapés, different kinds of appetizers, scallop, crayfish, lobster (soup), sushi, salmon, grilled fish, sorbets, fruit tarts

Categorisation: Our "Chardonnay Brut" is a **sparkling wine made of „Leutschacher Chardonnay“ grapes – „Méthode traditionnelle“, Zero Dosage.**

Wine-growing area: The grapes used for Chardonnay Brut **grow in various vineyards** within our home village.

Climate: The climate in Leutschach is characterised by moderate rainfall, it is **warm and mostly free of fog**. The climatic conditions in this area are also influenced by cold, sloping winds from the western Koralpe Mountains, causing **cool nights**. These cool nights effect high temperature differences between day and night and this fact encourages fruity wine varieties.

Soil: Leutschach is located within the southwestern Styrian sea basin. Approximately 16 million years ago some 1000 meters of mighty marine sediments accumulated. Geologists describe these fine marine sediments as "**Leutschacher Schlier**". It consists of chalky fine-sandy, mostly green-greyish **marl clay** or argillaceous schist with deposits of sand. These chalky marl soils are called "Opok".

Sekt aus Leutschacher Chardonnay Trauben – "Méthode traditionnelle", brillantes Mousseux

Sparkling wine made of "Leutschacher Chardonnay" grapes – "Méthode traditionnelle", brillante mousseux.
