STK
GEBIETSWEIN
AUS DER
SÜDSTEIERMARK
STK REGIONAL WINE
FROM
SOUTHERN STYRIA

Categorisation: Our "Sauvignon Blanc Styrian Classic" signifies a very fresh and fruity wine. The vines of this wine **flourish in numerous small vineyards in Southern Styria.** This wine is allowed to be offered for sale at the earliest on the 1st of March after the grape harvest.

Wine-growing area: Southern Styria, from vines exclusively grown in **Leutschach a.d.W. and Gamlitz.**

Climate: A warm and humid **Mediterranean climate** causes a long vegetation period. Cool nights effect unique varieties of aromas.

Soil: The soil structure is characterised by firm sediment layers, deposited in this sea basin million years ago. The soil consists of fine marine sediments (geologically described as **"Schlier"**), as well as of different kinds of sand, conglomerate and gravel.
